Dear SAIAT Member

MEMBERSHIP FEES 2012

It is unfortunately that time of the year again when we at SAIAT have to forward to you, our valued members, an invoice for the membership fees for the next year. The invoices will be posted to all members within the next 14 days.

However, we are pleased to inform you that we were able, despite the current economical situation, to keep the increase in membership and other fees to a minimum.

Fees for 2012 were approved at the last National Committee meeting and are as follow:

We are again offering the "early bird" discount if you settle your account in full before or on 31 January 2012. Please note that we are not able to accommodate credit card payments.

The year 2011 was not one of the easiest years and we do realize that some of members may not be able to settle their account with a single payment. We are therefore implementing a payment scheme of 3, 6 or 9 months for those who wants to spread the payment over a few months. There is no administration fee applicable, but the 'early bird' discount will not be applicable. Please make use of the application form (www.saiat.org.za/downloads.html) if you want to make use of this option. Please note that we will keep all such arrangements absolutely confidential and the writer and the Office Manager will be the only person who will have knowledge of such arrangements.

When doing payments, either by direct deposit or by electronic funds transfer, please ensure that you make use of your SAIAT membership number as reference.

Regards
